

Obstetrics & Gynecology

Healthy Driven™
Edward-Elmhurst
MEDICAL GROUP

We're focused on the health and well-being of women at all stages of life. From preconception counseling to labor and delivery, and from annual exams to menopause care, we're committed to partnering with you to meet your specific goals. We are board-certified OB-GYNs with over 75 years of combined experience. We use both traditional medical and surgical approaches, as well as complementary and alternative therapies for treatment.

Our Specialties:

- ▶ Annual well-woman exams, including PAP smears using HPV-DNA testing
- ▶ Breast exams
- ▶ Contraception options
- ▶ Preconception counseling and birth planning
- ▶ Complete prenatal care
- ▶ Gynecologic care, including the treatment of infections
- ▶ Gynecologic surgery, including minimally invasive laparoscopic surgery and robotic surgery
- ▶ Integrative gynecology, combining traditional and complementary alternatives for a holistic approach
- ▶ Medical and surgical alternatives for abnormal uterine bleeding, including minimally invasive procedures for fibroids
- ▶ Menopause care
- ▶ Reproductive medicine, including infertility evaluations
- ▶ STD screenings
- ▶ Urinary incontinence screening and treatment
