Edward Elmhurst Health & Fitness Center Children's Aquatics pool policies

CLASS MAKE-UP POLICY: We **DO NOT** offer any form of Makeup lessons unless EEHFC had to close the pool on the day of your scheduled lesson due to a pool contamination that day, or a holiday that is observed. We do not offer any type of makeup if it is a schedule conflict on the participant's end.

LESSON DROP OFF POLICY: Parents, family, and friends may view the lessons through the windows. Please refrain from entering pool area during lessons. During lessons, the pool and deck will be closed to people not enrolled in swim lessons. Please watch your child during lessons, so if we need to get a hold of you, we can easily wave through the window. 😊

CHILD SAFETY POLICY:

If your child is 8 and under, please be sure that you are within viewing distance of your child during their swim lessons. When children need assistance to use the bathroom, we need you to be able to see them and meet them at the bathroom door. The pool deck supervisor will be sure to escort them from class to the bathroom, but will not take them to the bathroom, as they are responsible for maintaining the safety of all children enrolled in lessons that hour.

FAMILY SWIM: During family swim you may use the children's pool provided the parent/guardian remains in the pool or "on deck" according to rules listed above. A lifeguard is NOT on duty during these times.

POOL POLICY: Children who are not potty trained are required to wear a swim diaper, swimsuit cover, and a swim suit before entering the pool.
