Proceeds from the 2021 Autumn Affair gala will support Elmhurst Hospital's mission of delivering the highest level of care to our communities in the western suburbs. Our patients have access to top tier healthcare services provided by talented caregivers in a healing and compassionate environment. The evening is not only a time to celebrate our remarkable hospital, but an opportunity to ensure we can continue to provide state-of-the-art care through future service enhancements.

If you wish to have your name removed from future fundraising communications, please call the Foundation at (331) 221-0388.
