

Edward-Elmhurst Health
Richtlinie zur finanziellen Unterstützung
Anlage 1 – Liste der Leistungserbringer/Ärzte
Gültig ab: April 1, 2025

Mitgefühl und Verantwortung gehören zu den Grundsätzen von Endeavor Health, und im Einklang mit diesen Grundsätzen betrachten wir es als unsere Verpflichtung, Patienten in Not finanzielle Unterstützung bereitzustellen. Die Richtlinie zur finanziellen Unterstützung (Financial Assistance Policy, FAP) gilt für alle vom Krankenhaus erbrachten Notfall- oder medizinisch notwendigen Behandlungen, ist jedoch für sonstige Erbringer medizinischer Leistungen (z. B. Ärzte) außerhalb des Krankenhauses nicht bindend. Ebenso wenig ist sie für Leistungserbringer bindend, deren Arbeitsverhältnis mit Endeavor Health oder deren Tätigkeitsfeld sich geändert hat. Da sich diese Liste von Leistungserbringern von Zeit zu Zeit ändern kann, veröffentlicht Endeavor Health mindestens vierteljährlich eine aktuelle Version der Liste auf seiner Website (eehealth.org/patients-visitors/manage-my-costs-and-billing/billing/financial-assistance).

Alle Leistungserbringer der Endeavor Health Medical Group sind durch die FAP-Richtlinie von Endeavor Health abgedeckt. Nachfolgend finden Sie eine Liste von unabhängigen/selbstständigen Leistungserbringern für die Notfallversorgung und andere medizinisch notwendige Behandlungen in Endeavor Health-Einrichtungen, die nicht unter diese Richtlinie fallen. Diese Liste ist online unter eehealth.org/patients-visitors/manage-my-costs-and-billing/billing/financial-assistance oder auf Anfrage in der Notaufnahme und den Anmeldebereichen des Krankenhauses erhältlich. Unter der Rufnummer (866) 756-8348 kann eine Zusendung per Post beantragt werden.
