

Lake Street, Oak Park Construction Fact Sheet

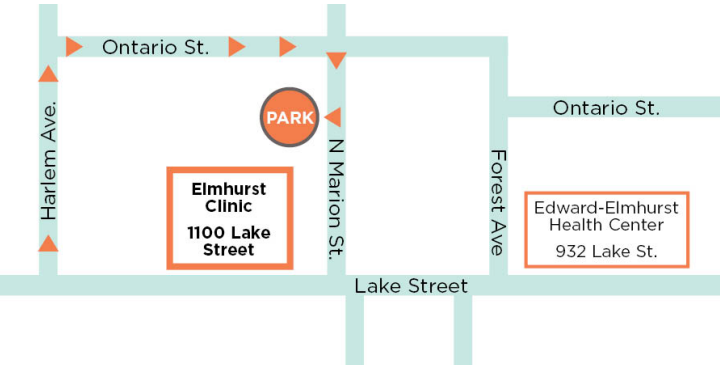

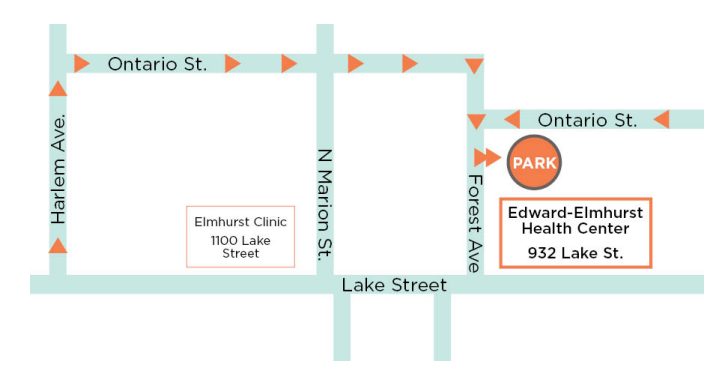

Lake Street in Oak Park is under Construction from March 2, 2020 through Thanksgiving of 2020.

Limited lanes on Lake Street could impact drive time to **Elmhurst Clinic**, 1100 W. Lake Street (Shaker Building) and the **Edward-Elmhurst Health Center** located at 932 W. Lake Street.

Please allow extra *drive and parking time* to get to appointments on time.

- **Stage 1:** Monday, March 2 – May 2020
 - Area of impact: Lake Street **between Oak Park Avenue and Euclid Avenue** (east of EEH locations)
 - Motor vehicle traffic will be limited or stopped. One westbound lane will always remain open.
 - **Please use parking garages as noted below.**
 - No parking on Lake Street, pedestrian traffic will continue
- Information and project updates available at www.betterlakestreet.com

Park in the parking garages for both Oak Park locations.

Elmhurst Clinic 1100 Lake Street, Oak Park	Edward-Elmhurst Health Center 932 Lake Street, Oak Park
