**Services may include:**
- Annual physicals and preventive care
- New or existing health conditions
- Lingering aches, pains or other symptoms
- Cold, flu, infections and other illnesses
- Medication management

It’s always best to see your primary care physician first, when possible. Your physician also provides recommendations and guidance based on your personal health goals.

Edward-Elmhurst Health has more than 1,700 physicians in its network. Visit [EEHealth.org](http://EEHealth.org) to view contact information for your physician.
