

# ER, Immediate Care, Walk-In Clinic or Doctor's Office?

Knowing where to seek treatment could save you time, money and even your life. This information will help you decide which option is best for your particular health situation. Remember, there is always a care provider that you can speak with, even when your physician's office is closed.

## Call or see your doctor

Preventive Care, Illness Treatment

### Services include:

- Annual physicals and preventive care
- New or existing health conditions
- Lingering aches, pains or other symptoms
- Cold, flu, infections and other illnesses
- Medication management

It's always best to see your primary care physician first, when possible. Your physician also provides recommendations and guidance based on your personal health goals.

Edward-Elmhurst Health has more than 1,700 physicians in its network. Visit [EEHealth.org](http://EEHealth.org) to view contact information for your physician.

## Go to a Walk-In Clinic
